IMPORTANT NOTICE

Please note that Oubao will no longer be available to both new and existing players.

In an effort to efficiently proceed with the closure of the website, we disabled any new registrations from midnight on Wednesday, 7th June 2023, and all existing players have been contacted via their registered email address to confirm the closure of their accounts and settlement of open bets.

Any outstanding balances have been withdrawn back to the last deposit method used. However, if this was not possible, we have attempted to contact all affected players to arrange the withdrawal of their funds. Deletion of any personal data will be actioned in line with TGP Europe's [Privacy Policy](#) and the Data Protection Act 2018 (DPA 2018).

If you have any questions or concerns, please do not hesitate to contact us at support@oubao.co.uk

1. Choose a random domain name
2. The shorter the better
3. Always use .com TLD
4. Never register in China !
5. Do not use numbers or English words
6. Create a logo
7. Profit

Three Key Points

- Threat intelligence can illuminate crimes beyond malware
- DNS is a great way to find and track large criminal networks
- Organized crime syndicates hold some highly talented tech not just big guns
