

A woman with long dark hair, wearing a black hoodie, is looking down in a server room. The room has large windows and server racks in the background. The image has a blue tint and is overlaid with text and graphics.

DEF CON 101

The Panel

n00b society

WELCOME TO LAS VEGAS

Pace Yourself

THIS IS DEF CON

DGAF

Everyone was a
noob once.
All of us are still
noobs at something.

THE COUNTDOWN

Simple rules for surviving Def Con

3

Bathe at least once a day
Eat at least two meals each day

Wash your hands, too

THIS IS THE DESERT

Stay hydrated

All Good

Grab A
Glass of
Water

Sit Down
And Drink
Water

Call A
Doctor

THE DEF CON CRUD

Fist your friends
Fist them often

Seriously, wash your damn hands

THIS IS DICK
DON'T.
BE.
A.
DICK.

THE BASICS

Hold the door.

Keep your head up.

Pay attention.

Don't block the hallway.

DON'T BA AN ASSHAT

Don't ruin everyone's time

DON'T HECKLE

Heckler

[hek-ul ər]
noun

One who tries to embarrass, harass and/or annoy someone speaking or performing in public with gibes, questions and objections.

If you don't agree, talk afterwards.

See the previous slide.

ASK PERMISSION

PHONES AND WIRELESS

Seriously?

This is a hacker convention.

Use your head.

PICTURES

See the previous slide.

Expect to be in a picture or two.

Ask nicely if you don't want to be in one.

NOT EVERYTHING IS FREE

Just because you see it laying out, does not mean you can take it.

HAVE A PLAN

Read the program.

HACKER TRACKER!

Talks fill up quickly. Consider purchasing the videos from TSOK.

HACKER TRACKER

- The official schedule app for DEF CON 26
- Lots of good info about DC26
- Available on the App Store and Google Play
- You should have downloaded it before now

THE TALKS

VILLAGES

AI Village
Biohacking Villages
Blue Team Village
Car Hacking Village
Crypto & Privacy Village
Data Duplication Village
Dronewarz Village
Hardware Hacking Village
ICS Village
IoT Village
Lockpick Village

Packet Hacking Village
Recon Villages
Rootz Asylum
Skytalks
Social Engineer Village
Soldering Skills Village
Tamper Evident Village
Voting Machine Hacking Village
Wireless Village

WORKSHOPS

Workshops are training opportunities – usually hands on.

DEMO LABS, CONTESTS & EVENTS

Too much to list – here are some highlights.

- Lots of tools in Demo Labs.
- Capture the Flag.
- Badgelife Contest.
- Travelcon 4.0.
- Hack the contests - Hacker Convention, remember?

SWAG & VENDORS

DEF CON is unique in that:

Swag is DEF CON branded stuff.

Vendors is a vendor hall. Each vendor has something to contribute to the hacker community.

COURAGE

Anyone worth knowing has imposter syndrome.

-Tarah

Remember, if you are hanging with a group of people and you feel like a fraud because they are all super smart, keep in mind they chose to have you as a friend.

DOUBLE DOG DARE

Reach out.

Put yourself out there.

Find someone with something you
share.

TRIPLE DOG DARE

Do something you have never done
before.

Try one of the villages.

Go to a party.
